

**H-GAC STIP Comment Responses**  
**(2019-2022 STIP, February 2019 Revision FHWA Comments)**

RTP MPOID	CSJ	Project Sponsor	Facility	Com#	FHWA Comment:	H-GAC Response
504	0338-04-060	TXDOT HOUSTON DISTRICT	SH 105	NA	Not Approved. E-STIP project entry appears inconsistent with TIP history noted in e-STIP. Approval is withheld pending clarification of TIP project history.	This project was corrected in the October H-GAC TIP Amendment. This correction was submitted in the November STIP Quarterly Revision. MPO IDs 504 and 11028 were inadvertently linked in the original 2019-2022 submittal. 11028 was overwritten by 504. Attached is the project history and supporting documentation for MPOIDs 504 and 11028. H-GAC requests FHWA assistance to resolve the linking issue.
11028	0912-34-194	FORT BEND COUNTY	FORT BEND COUNTY TRANSIT ADMINISTR ATION AND OPERATION S FACILITY	117	Not approved. Project location reflected in e-STIP appears inconsistent with that reflected in H-GAC 2040 RTP. Additionally, project description in 2040 RTP reflects construction of Transit O&M facility rather than administration and operations facility. Approval is withheld pending clarification of project location and scope.	This project was corrected in the October H-GAC TIP Amendment. This correction was submitted in the November STIP Quarterly Revision. MPO IDs 504 and 11028 were inadvertently linked in the original 2019-2022 submittal. 11028 was overwritten by 504. Attached is the project history and supporting documentation for MPOIDs 504 and 11028. H-GAC requests FHWA assistance to resolve the linking issue.
12092	0912-00-552	Houston- Galveston Area Council	HOUSTON- GALVESTON TMA	22	Not approved. Proposed project funding noted as CMAQ, however estimated emission reductions are not provided. Also, description in H-GAC's 2019-2022 TIP indicates 'Clean Cities/Clean Vehicles Program', however, the e-STIP entry indicates 'Clean Vehicles Program'. Approval withheld pending clarification of emissions values and description.	Project was not programmed in initial 2019-2022 TIP. It was added via amendment in October 2018 as 'Clean Vehicles Program'. VOC: 10.790 kg/day Nox: 395.390 kg/day
